>> Per your 1st request, as it turns out, Dusty is now available this Friday at 10am. Shortly, you will receive a meeting invitation confirming a meeting with Enrique, Dusty, Harry and I this Friday, August 11, 2017 at 10am.

>> Regarding your second request, I checked Alexis' calendar. Friday, August 18, 2017 works best for her. However, both Dusty and Enrique aren't available. If you still want to have a placeholder in her calendar, She is available from 10-11am and 1-4pm.

>> SCHEDULING

>>

>> I am on travel and will be out of cell service most of today, so please follow up with my assistant Misti Gower to schedule the telconference. I could be available after 4 pm on Tuesday 8/15, but I do not think Brad is available, but I suggest we try to have the meeting then. If that time is not available on Tuesday, I will cancel another planned trip to attend this call earlier in the day. I think it is important we have this call early in the week to give NDEP time to decide how to respond to EPA as requested by August 18.

>>

>> Please talk with Misti about a placeholder for another hour when both Alexis and Brad can attend (along with me and Rick Perdomo) on either 8/16, 8/17 or 8/18.
